## Evanston's Most Distinctive Townhome Development

### Spacious living, peaceful neighborhood, footsteps from city amenities

Elegant and spacious, each of these luxurious homes features 3,300 square feet, 4 bedrooms, 3.5 bathrooms and every detail you desire. In the perfect location, you will enjoy walking around the corner to a serene park, charming Central Street shops, delicious cafés and quaint art galleries. Plus, the Metra train station is only two short blocks away.

Wrapped in an exterior of brick and limestone, the interior features custom millwork with graceful moldings, natural wood and stone floors, as well as a wood-burning fireplace and wonderfully appointed Chef's eat-in kitchen with top-grade appliances, granite countertops, and stunning custom cabinetry.

The Residences are distinguished by smart house wiring, magnificent master suites, penthouse-level terraces, and full basements. You will marvel at the large private backyards, two-car detached garages, and the ideal location on one of Evanston's most desirable blocks. The Harrison Street Residences truly offer living at its finest.
